## From the Vicarage

**Dear Friends** 

Christmas is coming, the shopping lists are getting longer, supermarket deliveries are booked, family gatherings loom large and there barely seems enough time to fit everything in.

I wonder if Mary felt like this before Jesus was born – away from home, staying with Joseph's relatives, and all that distance to travel (probably walking, there's no mention of a donkey, sorry). I wonder if she felt prepared to become a mother for the first time?

However organised we think we are, there is nearly always something or someone that we have forgotten. But I wonder how it is for God that in 2025 many people have forgotten Him.

The story of Jesus' birth rarely features in hardly any of the many different Christmas promotions. It's usually about food, or family, TV shows or Christmas specials.

We are encouraged to spend and consume, to celebrate – all to excess. And we readily join in, because, after all, it is Christmas....

But I wonder how it would be if we turned the volume down a bit, did a bit less, felt less pressure?

The celebration of Christmas is part of our life as Christians – the coming of Jesus into our world as a vulnerable newborn, in a strange town, to a young mother. With a shining star, heavenly choirs, racing shepherds and visiting foreign dignitaries. We know the story. We love the familiar carols and readings.

And yet .... The coming of Christ into the world wasn't cosy and familiar. It really did change things forever and it's impact echoes down the years to us now in Advent 2025. How ready are we to meet with God himself? To encounter him not with fanfare and mulled wine. But with an honest need for him to change the world, starting with us.

When we realise for ourselves that God in human form changes everything – that the baby became a man, showed us what love looked like, died an innocent man and with his resurrection restores us back to God. Christmas is only the start of the story – but it's a story that you are invited to enter, will you let it change your life, as it did for the shepherds and the wise men?

This Advent, along with the food and the shopping, take time to ask your heart if you are ready to welcome the King of Kings – to allow Him to change your life. If you're willing to find out more, He can and will change everything.

With blessings

Alicia

# **Andrew Race Vicar** of Grimsby Minster

Reverend Andrew Race who served his curacy at St Peter's 2015-2019 has been made Vicar to Grimsby Minster in the Diocese of Lincoln. After leaving St Peter's he became Vicar of Castle Donington with Lockington cum Hemington in the Diocese of Leicester.

Alicia and Steve attended, along with Helene Roe our church warden, who has worked with Andrew over many years at New Wine.

He was collated and inducted on Thursday 6
November and his first major service was for the
town Remembrance Service – attended by
thousands of people and the fifth largest
Remembrance Service outside of London. A
baptism of fire – but he was soon introduced to
the local community!

## **Advent and Christmas Services**

We have a myriad of different services and opportunities to celebrate Christmas at St Peter's. Whether you're looking for traditional or something for the children, we hope to offer something for just about everyone during the festive season.

## Candlelit Carols Sun 14 Dec 7pm

Join in with the magical atmosphere of a candlelit church, sharing in the Familiar readings and carols as well as a few extra surprises .Following the success last year we will be offering mulled wine (or juice) and mince pies after the service. A collection will be taken for Christmas Lunch on Jesus – providing food for families who would otherwise miss out.

## Children's Nativity Sun 21 10am

Dress up and join in whatever your age – come as a star, a shepherd, a king and help to retell the familiar story. It's usually a bit chaotic, but it's always great fun and everyone is welcome to do as much or as little as you'd like.

### Christingle Christmas Eve 3pm & 5pm

Always popular, everyone is welcome to join in our Christingle to celebrate God's blessings to us and Jesus, the light of world joining us in the mess of the everyday. Make your own Christingle with the kit provided – and you can always help recycle the elements at the end if you wish, or take your Christingle home. Collection for the work of The Children's Society

#### Midnight Service Christmas Eve 11.15pm

Often referred to as Midnight Mass, this service is timed to that you receive Holy Communion – or a blessing if you prefer – just after midnight into Christmas Day.

This is a quieter service with a few carols and a great way to remember what Christmas is really all about.

### **Christmas Day 8am and 10am**

**Spoken Holy Communion at 8am** is a calm and measured way to start your busy day before joining with family and friends for a frenzy of food, gifts and washing up. Service usually 45 minutes.

**All Age Holy Communion at 10am** offers familiar carols, some silly present sharing and an opportunity to celebrate the birth of Jesus Christ. Service lasts approximately hour and a quarter.

We hope to be at Heatherton House 9 Dec 3pm; Brookfields on 16 Dec 11am, Cedar Tree 17 Dec 10.15am and Derby Heights 17 Dec 2pm.

## The Bereavement Journey

### Grief is hard, death can impact all of life

Losing a loved one is a hard thing to deal with. We are starting a course in January which is for anyone who has been bereaved, either recently, or at any point in the past.

The course is called *The Bereavement Journey* and it is a safe place to talk with others who have been bereaved, or just to hear how others are experiencing and dealing with similar issues. Grief is more easily managed when journeying with others and past losses can be

opened up about safely. The course will cover topics such as attachment, separation and loss, pain and other responses of grief, anger and guilt. Along with coping with others reactions, adjusting to change, and delayed and suppressed grief. We'll also look at how to move forward healthily and how our grief can affect our faith.

There will be some videos to watch, along with discussions in small groups. And, of course, plenty of tea and cake to help as we process these feelings. If you think this is something that would be helpful for you, then we would love for you to join in.

For more information please visit: www.thebereavementjourney.org

Mondays, 1.30pm, St Peter's Hub, Normanton Lane, DE23 6GP.

Starting on 12 January for seven weeks. If you would like to sign up or if you have any questions please speak to Emma – 07752 645496 or email:

emma@stpeterlittleover.org.uk

- Christmas Carols followed by a short service of Holy Communion

- Then joined by the Remini-Sing choir who have been working throughout November and December to present a Christmas concert at 3pm. The choir includes people from across the city living with dementia and conducted by the amazing Rach from Bright Futures.

Everyone is welcome but please do take care NOT to drive into Church Street after 3pm or you will likely get a ticket from the council as this is a School Safety Zone between 3pm and 3.45pm.

## Remembrance Sunday November 2025

Our curate Reverend Emma Mallord led the Remembrance Service on 9 November where the weather was generously mild and dry.

We were delighted to welcome a good crowd from the community at the Memorial for the Act of Remembrance and laying of wreaths before proceeding inside for the service.

This was the first Remembrance Sunday without our friend and cornet player Dave Hargreaves who died earlier in the year. But his recording of the Last Post and Reville were played and his wife Irene stood by the memorial in tribute, holding his cornet and accompanied by son Brendan, wearing his Dad's medals, and his wife, Jules.

#### Littleover in Bloom

This is the time we have to take stock of our planting, summer planting is sometimes still in bloom and has to be removed to make way for more frost-resistant plants.

Corms have to be dug up wrapped and stored for winter, in order to bloom again next year. Bulbs have to be planted, before the ground gets too hard. This year as in previous years, we are kindly offered a donation of 1000 purple crocus bulbs. A gift from the Rotary club of Derby South. These bulbs are part of the Rotary's, 'End Polio Now', worldwide publicity campaign.

The sight of the, 'Ruby Giant', popping up in the spring, is a reminder that some counties in the world still suffer from an epidemic of Polio. Africa has now been declared Polio Free! There are now only two countries that are known to still have cases of the disease, Pakistan and Afghanistan. With a small donation for an immunisation, it costs only £1 for 5 injections. These people can be helped.

You can help by getting in touch with Derby South Rotary, or getting in touch with us, we can pass your donation on.
Remember, 'Purple 4 Polio!! We will be sharing our bulbs with our partner community groups. We hope they will share with us their photos of the bulbs! Christmas is a time for giving!

Our next meeting will be Monday 1 December 1.30pm. Anyone is welcome to join us. Littleover Grange Hall, rear entrance, Park Lane. Contact Jan on 01332 348903 or jan.dante@virgin.net

## Littleover Village

#### **Littleover Historical Society**

#### The Joyce Harpur Charity

This Charity was set up in December 1699 to help the poor of Littleover and is still being administered today by St Peter's Church.

At one of our meetings a member of our History Group, found a mention of, 'Harpur's Cottage', which set us all thinking? It took no time for my colleague, Chris Drury to begin some research, he has written an excellent piece of work, and can be read on our website www.littleover.org.uk There were very few people, at that time who left legacies! Joyce Harpur was the daughter of John Harpur, a Rector of Morley, being the daughter of a Rector, you wouldn't expect her to be wealthy, however, in her will Joyce left £20 to her brother also named John, to invest for the poor of Littleover – with charity land of approximately four acres to provide an income. To be handed out on Christmas Day. The charity still makes Christmas grants to this day.

How was she able to leave so much? Through the Harpur family tree, all was revealed! Her father was the great grandson of Sir Richard Harpur, the first person to build Littleover Hall and whose memorial is in the Chancel of St Peter's Church.

Next meeting Friday 12 December 10am.
Rear entrance Littleover Grange Hall, Park
Lane, DE23 6FX Visitors welcome. Join us for
a chat and refreshments £3. Contact Jan on
01332 348903 or jan.dante@virgin.net

Find out more at the Hannah Fields Community Garden Facebook Page or see the notice boards on their gates.

## **Bringing Blessing to others at Christmas**

Christmas isn't just about the carols and gifts, food and family but also about being aware of how fortunate we are and in turn blessing others. Many of you will give to your own charities at Christmas but there are also some more local options, see below:

#### **Christmas Connection Gifts**

Derby City Mission run an amazing project that provides presents for children who may otherwise receive very little. And you can bring new toys, clothes, gadgets and gift cards suitable for children age 0 to 16 years old. Just bring them along to our Gift Service on Sunday 7 December at 10am and we will ensure they are delivered swifty and prepared for delivery. Families in Littleover benefit directly from this project.

#### **Reverse Advent Calendar**

Rather than eat chocolate through Advent, you could collect food for a season food parcel for a local family. Include food that'd make a few meals as well as Christmas treats of chocolate, posh biscuits and crisps. Don't just buy basic, give them the things that you enjoy at Christmas. No alcohol please.

Deliver your food in strong carrier bags to the Vicarage before 18 Dec. and we will ensure they are delivered to local families.

### **Christmas Lunch on Jesus**

This is a national charity that is run locally by St Peter's in the City who deliver over 400 meals to families across the city. They supply meat, vegetables, crackers, pudding, chocolates and juice – enough to feed the household and they are delivered in the run up to Christmas. You can make a donation at our Candlelit Carol Service on 14 December 7pm, or drop your donation into the church or vicarage, clearly marked. Five families in Littleover are already booked to receive food from Christmas Lunch on Jesus this year.

## The Children's Society

Every year donations given at our Christingle services goes to bless the work of The Children's Society that support children and families across the country. From bereavement support, to mentors, looking after young carers, supporting those who are in the care system or runaways. Children's Society goes out of their way to care for those who are most vulnerable. Donations can be given in cash or electronically.

#### Support Our Local Parks with Friends of Littleover Parks

Friends of Littleover Parks volunteers help care for and improve the parks in Littleover and Blagreaves, working in collaboration with Derby Parks.

Caring for our local green spaces means protecting wildlife, preserving nature, and ensuring parks remain welcoming for future generations. In 2024, our volunteers helped plant flowers, maintain pathways, and safeguard biodiversity in places like Sunnydale Local Nature Reserve, Clemson's Park, and Millennium Wood.

You don't need experience to get involved!
Whether it's light gardening, litter picking, or simply sharing ideas, every contribution helps keep our environment thriving. It's also a great way to meet new people, enjoy fresh air, and give back to your community.

To find out more or get involved, visit www.linktr.ee/LittleoverParks email LittleoverParks@live.co.uk

Or keep an eye on the community noticeboards around Littleover and Blagreaves

## ReCreate

Are you creative but never seem to get your materials out?

Would you consider yourself uncreative, but would like to be?

Would you like a place where together we can explore our God given creativity in a friendly and encouraging atmosphere?

# Maybe ReCreate could be the place for you?

You can work on your own projects or engage in a suggested activity. Space and resources (and your imagination) will be the only limitations to the range of creative activities we can share in together. Bring your own materials to use and share if you can. We have a basic range of frequently used materials for those who have none.

Let's explore our God given creativity

5 December – Gift tags

19 December – bring your own projects

Please bring your own drink.

## **Donate with Church Family Christmas Card**

Christmas costs continue to rise and we are all looking for ways of spending wisely. The Creation Care team would love for you to join in the Church Family Christmas Card – you add your greeting to the large card on display and then donate the money that you would have otherwise spent on cards. It breaks the cycle of – you gave me a card, so I have to give you a card – and the money saved on cards will be donated to a UK Eco Christian charity. Card designed by Peter Maybury

## **Bereavement Service on 9 November**

While we know that death is part of life, losing the people we love can be very difficult and after the initial rush of sympathy it can be hard to find people to understand your grief.

Every year, on Remembrance Sunday we hold a Bereavement Service and invite those who are living with the reality of life without someone they love.

During the service there is an opportunity to light a candle in remembrance and then all the main lights are extinguished and in the flickering candlelight names are read aloud. While this is never an easy service it is always a privilege to gather with others to remember.

## Open the Book - stories from the Bible

The Open the Book team go into St Peter's School once a month to share stories from the Bible. Using costumes, basic props, drama and lots of laughter they help the children explore the story and what it could mean for them today. The children LOVE IT!

Here are Richard and David – having told the story of Jacob and Esau (Esau the red headed hairy man who was cheated out of his inheritance). It also happened to be David's 60<sup>th</sup> birthday, so double celebration!

# BIDD BIRE

It can be read in the Bible in Luke chapter 2 verses 8 to 20

## A short story from the Bible

Shepherds were paid to look after the flocks out on the hillside. Uneducated and rough, they were usually avoided, or overlooked.

Don't be afraid! I have good news that will be a great joy for everyone!

(Earlier today, the Saviour, Christ the Lord, was born in Bethlehem.)

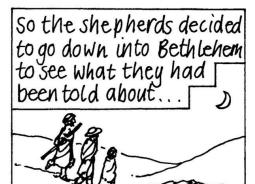

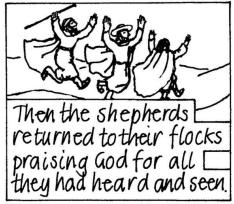

What?! The Saviour is like one of us?

## Hub Bookings Manager Vacancy

Our first manager Mary Edwards has been a tremendous success, but due to family circumstances she is sadly unable to continue in the role.

So, we are now looking for a new person to manage bookings at St Peter's and St Andrew's Hubs. You would need to deal with prospective hirers, handle paperwork and be available with keys as needed.

This is a part-time post at four hours per week, averaged out over the month as some weeks will be busier than others. You will need to be computer literate and have a mobile available. We pay the Living Wage and a pension scheme is available.

For a fuller role description please go to <a href="www.stpeterlittleover.org.uk">www.stpeterlittleover.org.uk</a> for more information. Or call 01332 767802.

# Mission Giving increase

Following our review of how and where we support mission – something we do every three years – we have increased how much we give from £7.500 to £10,000. This has allowed us to take on some new partners.

Locally we will support the work of Upbeat Communities, a Derby based Christian charity that provides support to refugees and asylum seekers at different stages of their journeys.

www.upbeatcommunities.org

Nationally, we will be supporting the work of Green Christian who have been helping our own Creation Care team with ideas and resources.

www.greenchristian.org.uk

And finally, we will be working with CMS to find an additional overseas mission worker to support and pray for. We currently work with Tim and Kate Lee of Jigsaw who are part of CMS, so it'll be great to prayerfully find someone new. www.churchmissionsociety.org

## **Open Doors**

#### **Supporting persecuted Christians**

#### Christians don't expect change in Iraq

The elections in Iraq have passed, the results released. However, despite some details which bring hope, not much change is expected by Iraqi citizens – especially Christians. Please pray for God's guiding hand over leaders as they progress in their plans whilst the people of Iraq await further announcements.

After the elections on 11 November, the country has been waiting with anticipation for the results. However, the outcome is not likely to bring much change for believers in the country, nor to its systems in general, and the future is not expected to be much different from the experience of minorities at present.

Iraqi voters elected the 329 members for the Council of Representatives out of over 7700 candidates from around 70 political parties. The winner was the party of the current Prime Minister, Mohammed Shia al-Sudani, who gained 46 out of 329 seats. However, the political setup in Iraq means that the party will have to form a coalition with other parties to establish a new government.

#### Glimmers of hope

Christians' political representation lies in the five seats which are given to minorities – known as 'quota seats'. The Babylon Movement, a group suspected to be backed by Iranian militia and widely unsupported by believers, only gained two out of the five seats this year. For some Christians, this is a glimmer of hope – four years ago, the Movement secured four out of the five seats. The other three seats this year went to independent Christian candidates.

Another encouragement lies in the fact that more Iraqi citizens turned out to vote this year than in recent years. The Independent High Electoral Commission (IHEC) announced that 56.1% of eligible citizens voted in the election.

#### Prayers for the future

As stated, the winning party must now begin the process of forming a coalition government following the no-majority outcome. This procedure can take a long time, and so the real impact of the election results for Christians remains clouded. Concerns for just procedure remain at the forefront of believers' minds and many church leaders are pleading against interference in the election results.

"It is too early to talk about changes in the country," an Iraqi believer affirms. "In general, we think there will be no change because the same big parties are in control. Often their speeches before and after the elections are different. So, Christians are waiting to see how the new government will be formed. We hope and pray that the people who won the quota seats will truly be a voice for Christians."

Iraq stands at #17 on the World Watch List and persecution is a constant reality for our brothers and sisters there. Please continue to remember them in your prayers as changes begin to unfold in the lives of its people.

#### Please pray

- That a new and stable coalition will be formed which will support a better future for all Iraqi citizens
- That the voice of Christians will be heard and considered in parliament
- For the Lord's gracious guiding of the hearts of Iraq's leaders.

Please write to your local MP to invite them to the World Watch List Launch in Parliament on 14 January 2026. Go to

## **Update from Jigsaw**

Supporting families in the Philippines

We regularly see Tim and Kate Lee at St Peter's and hear about their work with Jigsaw Kids Ministry supporting children and families in Manila in the Philippines.

They travelled over in July this year, which was especially exciting for Kate as she had not visited for nine years. She was there to offer training for the new Kindergarten/ Early Years project which they hope to launch in January 2026. The training focused on key areas of learning and Kate guided the staff in setting up play spaces to help the children learn. The training ended with model early years club to help the staff put their new found knowledge into practise.

Funding was also required for this new initiative and so Tim and another colleague Duncan did a skydive with Skydive North West. Between them they raised over £8k and you can still make a donation if you wish

## BACK PAIN

If you are suffering from low back pain or neck pain, you should consider consulting a registered chiropractor.

Many people are turning to chiropractic for the treatment of these and other muscle and joint problems.

Treatment is given after a thorough case history and a full examination.

Chiropractic aims to improve the function of your muscles and joints.

Treatment is often followed by a rehabilitation plan which may help to improve flexibility and assist in preventing a recurrence of the problem. MJ Whatling, DC, MSc, FCC & Associates

#### How can you serve at St Peter's?

We don't need volunteers in the Parish of Littleover & Blagreaves, rather we have a hope that all enrolled members of our church family will **serve** the wider work of the churches and community and not just rock up on a Sunday.

How could you serve the work of our parish? Could you chat with someone who is isolated at home? Help with our children's work or help keep the churchyard looking spruce? Make refreshments? Can you pray to see God at work in our parishes? We're not asking for hours of your time – if we all do a little then the tasks are shared and we can see lives change through the power of the Holy Spirit.

Talk to Alicia, Jason, Emma or Lianne.

## Special Occasions

#### **Baptism or Thanksgiving**

Please see our special booklet on the website or contact the church office on 01332 767802 for a copy. We want to get to know you before booking a date, so we look forward to meeting you in church.

#### Marriage & Banns

Congratulations! The rules are now different and you don't have to live in the parish any more but can be married at St Peter's if you have a qualifying connection. For more information, contact the office, look at the church website OR checkout <a href="https://www.yourchurchwedding.org">www.yourchurchwedding.org</a>

We are happy to talk to you about dates, including midweek weddings.

#### **Funerals**

Arrangements are normally made through your undertaker and we can officiate at services in church, at the Crematorium and local municipal cemeteries.

#### Churchyard

There are no longer any new grave spaces, but we can bury ashes in our Garden of Remembrance. No memorials are allowed on the site but an entry will be made in the Book of Remembrance in the church. Please inform the undertaker as early as possible of your wishes. Plots cannot be booked in advance. Please be aware that maintenance of the churchyard is done by volunteers and contractors which are paid for by the church family. If you can care for your own area, that helps a great deal.
